INTENDED FOCUS

Once authorized, the careful, documented scientific study of *Tabernanthe iboga*, in a framework designed to respect national law, international conventions and local communities.

PRINCIPLES

- ◆ **Documentation:** every step recorded and traceable.
- ◆ **Compliance first:** no activity before the required authorizations are obtained.
- ◆ **Respect for communities:** access and benefit-sharing under the Nagoya Protocol, with prior informed consent.

Activities suspended pending permits; no harvest or export authorization has been granted. Ibogaine Solution DRC SARL is a newly registered company and holds no harvest, export, pharmaceutical or environmental authorization. Ibogaine Solution DRC SARL does not sell, ship or export any material, and nothing on this site is an offer for sale. Ibogaine is not approved by the FDA for any use and can cause fatal heart-rhythm problems. In the United States, ibogaine and the iboga plant (*Tabernanthe iboga*) are Schedule I controlled substances.

The content of this website is provided for information only. It is not medical advice and does not promote or support the use of any substance. Ibogaine Solution DRC SARL makes no therapeutic claims. Mention of organisations does not imply affiliation or endorsement.
